

# The Four Essentials for Effective Team Development

What compelling stories can you tell that capture the essence of your **Mission, Vision and Values** as a company?

.....

.....

.....

.....

What **Smart Skills** do you need to require of each team member in order to perform at a world-class level?

.....

.....

.....

.....

What **Healthy Skills** do you need to develop in order to function with top efficiency and effectiveness as a team?

.....

.....

.....

.....

What **Future Opportunities** do you create (the company and the individual) if you are intentional about developing your **Smart Skills** and **Healthy Skills** in a way that aligns with your **Mission, Vision and Values**?

.....

.....

.....
